

# *PreK4 February Newsletter*

## **“Let’s Investigate”**

For the month of February, the children will be introduced to a letter each week.

Week 1- “Ll”

Week 2- “Oo”

Week 3- Vacation week

Week 4- “Rr”

## **Religion**

We will be discussing the “Talk about Touching” curriculum.

## **Mathematics**

Our focus will be on several topics: “whole and part”, more, fewer, less, making patterns, “From Small to Large,” “Long and Short”, naming shapes and the numbers 0-7.

## **Science**

The children will be learning about oceans and beaches, lakes and shores and rivers and wetlands.

## **Social Studies**

Discussions will be held about how actions affect the environment. We will also investigate how water is filtered and understand cause and effect relationships.

## **Valentine’s Day**

Tuesday, February 14<sup>th</sup>, the children can exchange Valentine’s Day cards. I will provide a special snack for the class.
